Hear it from Healthcare Leaders

H.E. Dr. Khaled Abdel Ghaffar

Deputy Prime Minister, Minister of Health & Population of Egypt

"The strategic partnership between the Egyptian Drug Authority, the Africa CDC, and AUDA-NEPAD is a cornerstone for advancing healthcare across the continent. Together, we are creating sustainable mechanisms for medical product regulation and access, ensuring health security for all Africans."

Dr. Hisham Stait

Chairman of UPA

"Africa Health ExCon serves as a pivotal catalyst, driving the future of healthcare innovation and investment. It is the premier platform for uniting stakeholders to build resilient health systems and accelerate progress towards universal health coverage on our continent."

H.E. Dr. Jean Kaseya

Director General Africa CDC

"We are witnessing a powerful movement for Africa's health sovereignty. By strengthening our public health institutions and fostering local manufacturing, we are empowering the continent to define and secure its own health destiny, free from dependency."

Mrs. Nardos Bekele Thomas

CEO AUDA- NEPAD

"Achieving health sovereignty requires embracing cutting- edge technologies. Our AI programs are critical tools for optimizing resource allocation, improving diagnostics, and building smarter, data- driven healthcare systems that leave no one behind."

Mohamed Haron

Regional Director, GE Healthcare Africa

"Africa Health ExCon provides a unique opportunity to engage directly with partners across Africa—from North, East, West, and South—strengthening collaboration and accelerating healthcare impact across the region."

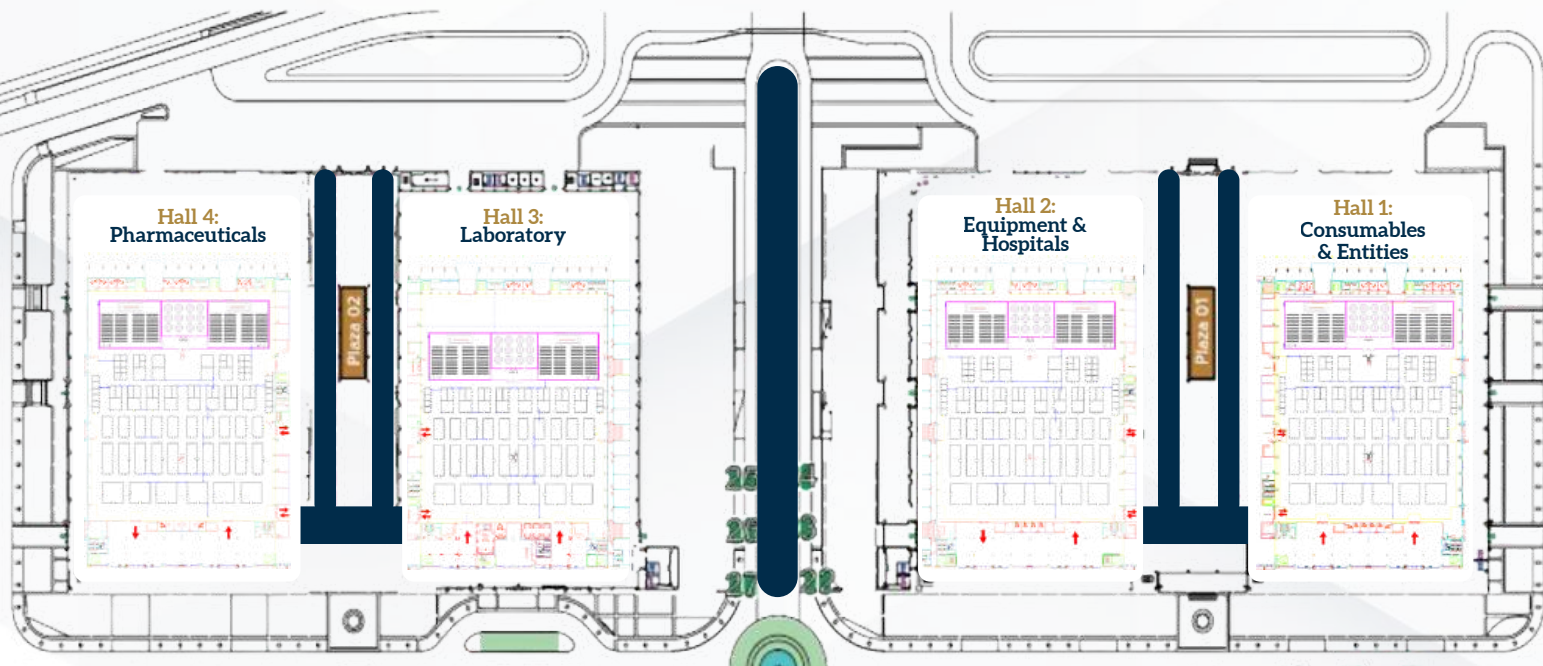

Ziad El Ahwal

Head of Access Policy & Governmental Affairs, Roche Egypt

"Africa Health ExCon is a powerful platform for regional collaboration, bringing together key stakeholders to drive meaningful progress across healthcare ecosystems in Africa."
